CancelApply NowCheck EligibilityRajasthanFawara SanyantraAgricultureDevelopmentFarmingFountain PlantDetailsThe Fawara
Sanyantra under the Agriculture Department of the Rajasthan government will give 70% to 75% subsidy to the farmers for installing
sprinkler plants. Through this farmers can irrigate more land by getting sprinkler subsidy. The subsidy given by the state government to
the farmers will be sent directly to their bank accounts through DBT. To avail of the benefit of the Rajasthan Fawara Sanyantra Subsidy
Yojana, a farmer should have land up to 0.2 hectares. So that the fields can be irrigated by installing sprinkler plants. The income of
farmers will improve through this scheme. Apart from this, efficient utilization and production will also increase. Besides, 50% to 55% of
water can be saved by irrigating the fields through sprinklers.ï»¿Important pointsIf the plant purchase bill for the fountain plant is of the
same financial year in which the farmer has applied, the grant will be payable to the eligible farmers.If the sprinkler plant is found to be
correct as per the criteria prescribed in the physical verification, the grant amount will be transferred directly to the farmer's
account.BenefitsThe grant amount is 70% of the unit cost for general farmers.The grant amount is 75% of the unit cost for small and
marginal farmers, Scheduled Caste/Tribe farmers, and women farmers.The grant is payable up to a maximum area of 5
hectares.EligibilityThe Applicant should be a farmer.The applicant should be a native of Rajasthan.The farmer should have at least 0.2
hectares of irrigated agricultural land.Application ProcessOnlineRegistrationStep-1: Applicant have to visit the official portal. Step-2:
