CancelApply NowCheck EligibilityAssamSneha SparshaChildDiseaseFinancial AssistanceDetailsLaunched on 30th December 2021, the
"Sneha Sparsha" is a healthcare scheme by the Dept. of Health & Family Welfare, Govt. of Assam. In this scheme, financial assistance
shall be provided for specialized treatment of children below 12 years of age affected with some serious ailments. Families with annual
income less than â 2,50,000 shall be eligible for availing benefits under the scheme, while priority shall be given to Below Poverty
Line (BPL) families.BenefitsPermitted procedure and the maximum amount admissible:»»»Bone Marrow Transplant: Leukemia (Blood
Cancer) and other conditions like Thalassemia, in which Bone Marrow Transplant may be considered as a mode of treatment, financial
assistance up to â 10,00,000 per case for referral of such cases to 'leading Hospitals outside the state equipped with facilities for such
treatment.»»»Cochlear Implant: The scheme will offer financial assistance of up to â 5,35,000 per case to BPL beneficiaries and â
3,00,000 per case to APL beneficiaries for referral of such cases to a Hospital outside the state, if necessary.»»»Liver Transplant: The
scheme will offer financial assistance of up to â 16,00,000 per case to BPL beneficiaries and â 10,00,000 per case to APL
beneficiaries. Necessary arrangements shall be made for referral of such cases to leading Hospitals outside the state with state-of-the-art
facilities for such treatment.»»»Kidney Transplant: The scheme will offer financial assistance of up to â 3,00,000 per case to BPL
beneficiaries and â 2,00,000 per case to APL beneficiaries for referral of such cases to Hospitals outside the state, if necessary.
Artificial Limb: The scheme will offer financial assistance of up to â 1,00,000 for Cosmetic Limbs and up to â 2,50,000 if a
Motorized Artificial Limb is considered necessary.»»»Blood Cancer: For treatment of Blood Cancer in children with Chemotherapy,
financial assistance of up to â 1,00,000 per case will be given.»»»Specialized Eye Surgery: like Retinal Surgery or Posterior Segment
Procedures, an amount of â 15,000 will be given as assistance.»»»Tumors: Solid tumors needing costly investigations and treatment
with Chemotherapy and Radiotherapy will be given financial assistance of up to â 25,000. Children in need of cancer-related surgery
will be given financial assistance of up to â 50,000.»»»Neurological Anomalies: Hydrocephalus and Spina Bifida will be given
assistance up to â 50,000 for investigation, surgical treatment, and rehabilitation.»»»Thalassemia: Financial assistance of â 1,00,000
will be provided to children suffering from Thalassemia, who are not fit for Bone Marrow Transplant but require specialized treatment
like splenectomy, blood transfusion, and associated medicines.»»»NOTE 1: The rates notified are indicative and the actual admissible
amount shall be fixed through a transparent process.NOTE 2: Out of these, the first five points shall be considered for referral outside the
State, and the rest of the procedures (6 to 10) treatment is available in the Medical College Hospitals and other Hospitals inside the
state.EligibilityThe beneficiary should be a child below 12 years of age.The beneficiary should be a resident of the state of Assam.The
