scheme under the Agriculture Department Rajasthan Government provided subsidies to farmers so they could earn more income by
cultivating horticultural crops like vegetables, flowers, fruits, etc. by controlling the agro-climatic factors, temperature, humidity, and
sunlight. A shednet house or other woven material is a structure that has openings for the necessary sunlight, moisture, and air to enter
from the open spaces. It creates a suitable microenvironment conducive to the growth of the plant. It is also called shednet house or net
house.ï»¿Other important pointsConstruction of shednet house should be done only after administrative approval/work order has been
issued by the Horticulture Department.After construction, verification will be done by the committee formed.Payment of grant amount
directly into the bank account of the farmer or to the producer firm based on written consent of the farmer.BenefitsFor a maximum area
of 4000 square meters50 percent subsidy is given to general-category farmers.70 percent subsidy is given to small, marginal, scheduled
caste, and scheduled tribe farmers.ï»¿In compliance with the Chief Minister's budget announcement, 25 percent additional grant is being
given to all the small and marginal category farmers of the state along with the farmers of the Scheduled Tribe areas.EligibilityThe
applicant should be a farmer.The applicant should be a native of Rajasthan.The applicant must have agricultural land ownership and
irrigation sources.Application ProcessOnlineRegistrationStep-1: Applicant have to visit the official portal. Step-2: Click on the option
