To know more please visit Cancel Apply Now Check Eligibility Ministry of Education Collaborative Research Scheme (CRS) Financial Assistance Research Grant Technical Education Details Launched by the All India Council for Technical Education, Collaborative Research Scheme (CRS) aims to provide financial support in the form of research grants to the young TEQIP faculties recruited in different Technical Education Quality Improvement Programme (TEQIP) institutes so as to collaborate for research and build research community. » ¿ Duration of the Project: Duration of the project will be of One year from the date of receipt of funds in the institute's account. » ¿ Processing Methodology: The proposal shall be assessed by an expert committee constituted as follows: Three members expert committee not below the rank of Associate Professor. Fourth member will evaluate if any of the three are not available. At least two members among the experts shall be from the concerned stream. » ¿ Terms and conditions: The Principal Investigator has the primary responsibility of the implementation of the project. In case the Principal Investigator leaves the Institution without transfer of the project or goes on long leave, the Co- Principal Investigator 1 would be allowed to continue with the project, subject to the consent of the Principal Investigator and approval from AICTE. All such requests should be sent to AICTE in advance. Therefore, association of a Co- Principal Investigator-1 (Co-PI-1) as ref. 1.2(d) in the project is mandatory. In case the Principal Investigator leaves the Institute and there is no other associated Co-Investigator to carry out the project then the project will be terminated at that stage and PI along with Co-PI-1 (From Host Institute) will submit Utilization Certificate. No further grant will be released. The grant will be utilized strictly for the purpose as specified in the sanction letter. Re-appropriation of funds from one head to another is strictly not permitted; Recurring and Non-Recurring heads are 40% and 60% respectively of the total grant, unless otherwise recommended by TEQIP experts. The list of equipment decided by the experts will be final and no changes will be permitted subsequently. Once the project is sanctioned, the Council shall not consider any request for additional grant. Separate institutional overheads for execution of the project shall not be provided. Out of the project grant, no funds can be used for going abroad to attend Conferences/Seminars. However, for presentation a paper in a Seminar/Conference within the Country, the travel expenses may be met out from the recurring component of the grant. Benefits Limit of Funding: Maximum funding of â, 1 25,00,000/-. Note: Recurring 40% and Non-Recurring 60% of the total grant sectioned. Institute have to open separate bank account in nationalised bank for the grant in Collaborative Research Scheme. Extra funds provided only in special cases. Disbursement of the funds: 25% amount of total sanctioned Non-recurring Grant and 25% amount of the total sanctioned Recurring Grant in a first installment. Remaining of total sanctioned Recurring and Non-Recurring grant only after the submission of Utilization Certificate, all requisite documents and review of the project by expert committee. Eligibility The proposal should be submitted by a group of faculties, one is Principal Investigator (PI) from different TEQIP institutions and other are Co- Principal Investigators (Co-PIs) from TEQIP or Non TEQIP Institution. The group shall consist of at least 3 faculty. One TEQIP-faculty should be from Host Institute who will be a Principal Investigator (PI). Along with Principal Investigator, there will be maximum four or minimum two Co-Principal Investigators (Co-PIs) from TEQIP or Non TEQIP Institution. One preferably a regular faculty of Host TEQIP institute to which the PI belongs shall be Co-PI-1. Such Co-PI-1 may or may not be working in same research area (though it is preferred) but should belong to the same Department to that of PI. Maximum Two proposal can be submitted by one PI (Principal Investigator) One proposal from one PI (Principal Investigator) only will be sanctioned at any point of time within the duration of project. » ¿ Note: For institute collaboration, first priority should be given to collaborate with TEQIP mentor institute or NIT/ IIT /Central University of the same state or region and that is nearer to host institute and the faculty concerned shall be Co-PIs. The group may have as additional Co-PIs as necessary from any institution (TEQIP or Non-TEQIP institute from India or Abroad) and also from an industrial sectors.
