To know more please visit Cancel Apply Now Check Eligibility Arunachal Pradesh Chief Minister's White Revolutions Scheme Livelihood Organic Farming Poverty Alleviation Details The CMWRS was approved in the 2018-19 budget announcement with a total outlay of ₹1,750.00 lakh. It aims to create a cooperative model of 200 dairy farmers in Pasighat, Rupa, Tezu, Chowkham, and Roing as milk production hubs. The scheme provides a minimum support price for milk procurement and strengthens the milk plant at Karsingsa and Rupa. The scheme also supports vermicompost facilities through 200 farmers to promote organic farming and the Green India campaign. The implementation of the scheme is through the department of Animal Husbandry, Veterinary & Dairy Development with tie-ups with the Apex Bank and NABARD. Selection of farmers, formation of District Dairy Appraisal Committee (DDAC), and selection of beneficiaries on a cluster basis by the District Dairy Development Committee have already been formulated. The scheme helps in poverty alleviation, economic upliftment, minimizes human migration, ensures the health of the farmers through supplement milk production, and enhances organic agricultural/horticultural productivity.

Benefits

- Capital subsidy of 50% up to ₹13.00 lakh for a minimum unit of 2 cows through the Apex bank
- Farmers given Kisan Credit Cards for working capital loan up to ₹13.00 lakh per farmer covering feed requirement for 3 months, insurance, vaccines & veterinary aid
- State government ensures 4% interest subsidy through NABARD to Apex Bank to make these loans available at 0% interest rate to dairy farmers
- 25% top-up subsidy will be provided for cold storage, transportation, bulk coolers, etc., for successful dairy societies and above 33% subsidy under DEDS (Dairy Entrepreneurship Development Scheme) of the Government of India
- Two kinds of support extended to beneficiaries: One dairy subsidy scheme with 5 cows and special assistance for dairy entrepreneurship generation with 15 cows
- Logistical funds distributed to farmer accounts by Direct Transfer
- Progressive entrepreneurs selected and assisted by giving 9 nos. of milk cows and 6 nos. of heifer

Eligibility

- The dairy farmers of Arunachal Pradesh are eligible for the scheme as selected by the District Dairy Development Committee
- The preference will be given to women and genuinely poor
- The beneficiaries will be selected on a cluster basis by the District Dairy Development Committee
- The scheme provides a minimum support price for milk procurement
- The beneficiaries will receive a capital subsidy of 50% up to ₹13.00 lakh for a minimum unit of 2 cows through the Apex bank

Exclusions

- The scheme is not applicable to dairy farmers outside the five potential districts of Arunachal Pradesh
- Only 200 dairy farmers can be a part of the cooperative model for milk production hubs
- Individuals who are not dairy farmers cannot apply for the scheme

Application Process

Offline

- Step 1: Obtain the Application Form** Contact the District Animal Husbandry and Veterinary Officer (DAHVO) or the designated department responsible for the scheme to obtain the application form for the Chief Minister's White Revolutions Scheme.
- Step 2: Fill in the Application Form** Carefully fill in the application form with accurate information. Ensure that all the required fields are completed as per the prescribed format.
- Step 3: Gather Required Documents** Collect the necessary documents for submission along with the application form. The required documents typically include:
 - Aadhar Card:** To establish the identity of the applicant
 - BPL Card:** To determine the eligibility of the applicant as a genuinely poor individual
- Step 4: Attach Supporting Documents** If there are any additional supporting documents required as per the guidelines of the scheme, ensure they are properly attached to the application form. These documents may vary based on specific requirements or preferences set by the District Dairy Development Committee.
- Step 5: Submit the Application** Once the application form and supporting documents are complete, submit them to the designated authority or the District Animal Husbandry and Veterinary Officer (DAHVO). Follow the instructions provided by the concerned authority regarding the submission process.
- Step 6: Await Application Review** After submitting the application, it will undergo a review process by the District Dairy Development Committee and other relevant authorities. The review process may involve verification of the provided information, eligibility criteria, and necessary documentation.
- Step 7: Notification of Application Status** The applicant will be notified of their application status. This notification may be sent through mail, email, or any other means specified by the authorities. It will inform the applicant whether their application has been accepted or rejected.
- Step 8: Fulfill Additional Requirements (if applicable)** If any additional requirements are specified for the selected applicants, such as attending an orientation session or fulfilling certain conditions, ensure compliance with these requirements.
- Step 9: Avail Scheme Benefits** Upon successful acceptance of the application, eligible applicants will be able to avail the benefits outlined in the Chief Minister's White Revolutions Scheme, such as capital subsidy, working capital loans, interest subsidies, and distribution of dairy cows and heifers.

Documents Required

- Aadhar Card:** To establish the identity of the applicant
- BPL Card:** To determine the eligibility of the applicant as a genuinely poor individual
- Application form and farmer details:** To provide necessary information about the applicant's farming activities and cooperative membership

Frequently Asked Questions

Who is eligible for the Chief Minister's White Revolutions Scheme? Dairy farmers of Arunachal Pradesh selected by the District Dairy Development Committee are eligible for the scheme. What is the primary objective of the scheme? The primary objective is to boost milk production and rejuvenate the cooperative system in an AMUL pattern. What are the benefits provided under the scheme? The benefits include capital subsidy, working capital loans, interest subsidies, top-up subsidies, distribution of dairy cows and heifers, and logistical funds. How are the dairy cows and heifers distributed to the selected beneficiaries? The District Dairy Development Committee procures the dairy cows and distributes them to the selected beneficiaries.
