Projects taken up under this program are to ensure sustainability and provide value addition to any given product. As far as possible, a cluster approach is encouraged.ISBADP covers the villages within 0-10 km crow fly distance from the Inter-State boundary with Assam. Those villages located 0-5 km to the Inter-State boundary get first priority.ISBADP funds are ordinarily used to bridge critical gaps and meet the immediate needs of the people residing near the Inter-State boundary. Planning and implementation of ISBADP schemes is done on a participatory and decentralized basis through the Deputy Commissioners/ Line Departments/ Village Councils.The implementation of the ISBADP is taken up through the concerned Deputy Commissioners who hold regular meetings with line departments of their respective districts such as Power, Rural Development, Roads & Buildings, Water Supply, Social Welfare, Public Distribution, Civil Supplies, etc. in order to ensure the implementation of the ISBADP schemes in the identified Inter-State border villages.BenefitsInfrastructure Development: The ISBADP may focus on improving infrastructure such as roads, bridges, railways, and connectivity in the border areas. This can enhance accessibility, trade, and transportation in these regions.Socio-economic Development: The scheme may aim to uplift the socio-economic conditions of the border areas by implementing various development projects. It can include initiatives related to education, healthcare, skill development, employment generation, and poverty alleviation.Border Security Enhancement: Development programs in border areas can contribute to strengthening border security. By improving infrastructure, communication networks, and surveillance systems, the scheme can enhance the overall security apparatus in these regions.Tourism Promotion: The ISBADP might support the development of tourism infrastructure and attractions in the border areas to promote tourism. This can lead to increased tourist inflow, job creation, and economic growth in these regions.Cultural Exchange and Integration: Development programs can foster cultural exchange and integration between border communities. The scheme may include initiatives to preserve and promote local culture, heritage, and traditional practices, fostering harmony and mutual understanding.Environmental Conservation: The ISBADP may incorporate initiatives to protect and conserve the natural resources and environment of the border areas. This can include measures for forest conservation, wildlife protection, and sustainable development practices.EligibilityThe scheme is applicable to the residents of the state of Meghalaya living in remote and inaccessible areas situated near the internationalÂ border.Application ProcessOfflineThe Directorate of Border Areas Development submits proposals to Border Areas Development Department, the Department then forwards the same to Planning and Finance Departments for approval and sanction.Documents RequiredAadhaar CardPermanent Residential CertificateIncome Certificate from Border Area Development OfficerBank Account PassbookAny Other Document as required by the Border Area DevelopmentÂ OfficerFrequently Asked QuestionsWhat is the Inter-State Border Areas Development Programme (ISBADP)?The ISBADP is a government initiative aimed at promoting the overall development of regions located along inter-state borders in India. It focuses on addressing the unique developmental challenges faced by these border areas and improving the socio-economic conditions of the local population.Who is eligible to benefit from the ISBADP?The eligibility criteria for benefiting from the ISBADP may vary depending on the specific schemes or projects under the program. Generally, the program targets the local communities residing in the border areas, but specific eligibility criteria may be defined by the implementing authorities.What are the objectives of the ISBADP?The primary objectives of the ISBADP are to promote balanced regional development, reduce disparities, enhance infrastructure, improve social services, create livelihood opportunities, and conserve the environment in the border areas.How can I apply for schemes under the ISBADP?The application process for schemes under the ISBADP may vary depending on the specific scheme or project. It is recommended to visit the official website of the Ministry of Development of North Eastern Region (DoNER) or the relevant state government department's website to find information about the application process, guidelines, and any specific requirements.How are the schemes under the ISBADP funded?The funding for the schemes under the ISBADP may come from various sources, including the central government, state governments, and other funding agencies. The specific funding mechanisms and allocation may be determined by the implementing authorities.How can I get more information or clarification about the ISBADP?For more information or clarification about the ISBADP, it is recommended to visit the official website of the Ministry of Development of North Eastern Region (DoNER) or the relevant state government department's website. You can also contact the respective authorities through the provided contact details for any specific queries or clarifications.Sources And ReferencesGuidelineOkWas this helpful?News and UpdatesNo new news and updates availableShareSomething went wrong.
