Under the scheme, financial assistance is given to the farmers of the Scheduled Caste category for the purchase of agricultural equipment to increase production of agricultural crops. The state government has launched the scheme to make agricultural industries successful through the use of agricultural mechanization. The farmer can get good quality and more farm produce at low cost by maximizing and utilizing natural, unimplemented sources such as land, water, and atmosphere due to agricultural mechanization. Thus, in order to increase agricultural mechanization, the scheme is started the state except in 208 talukas of the state where the Centrally Sponsored "Submissions on Agricultural Mechanization" scheme has already been implemented. This scheme is 100% sponsored by the state government. Benefits1.
