How does the scheme enhance the cultural development of enrolled children?Enrolled children receive specialized training in vocal/instrumental music, contributing to their cultural and artistic development. What documentation is required for admissions in classes other than 1st standard?Admissions in other classes require the submission of Transfer Certificate and Medical Certificate by the children. How does the scheme contribute to the overall well-being of visually impaired children?By supplying daily living needs, including boarding, lodging, and clothing, the scheme ensures the well-being of visually impaired children. What support does the scheme offer in terms of hearing aids?The scheme provides free supply of hearing aids to the enrolled children, addressing their specific needs. What is the age requirement for children applying to this scheme?Applicants must be at least 5 years old to be eligible for consideration under the "Government Special School" scheme. Is there a separate accommodation arrangement for boys and girls in these schools?Yes, the scheme provides separate accommodation facilities for boys and girls enrolled in these special schools. How are admissions facilitated for children in classes other than 1st standard?Admissions in other classes are based on the submission of Transfer and Medical Certificates by the children. What is the provision for the educational tour for admitted children?The scheme organizes a free annual tour for all enrolled children, enhancing their learning experience beyond the classroom. What educational resources are offered to visually impaired children under the scheme?Visually impaired children receive free Braille books, ensuring access to educational materials tailored to their needs. How does the scheme address the basic needs of the school inmates?It provides free boarding and lodging, two sets of uniform dresses annually, and daily living necessities to the admitted children. What are the educational benefits provided within the campus?The scheme offers free academic education and specialized training in vocal/instrumental music for the enrolled children.
