PMMSY is implemented in all the States and Union Territories for a period of five years from FY 2020-21 to FY 2024-25. In the Union Budget 2023-24, a new sub-scheme under the PMMSY has been announced with an investment of Rs.6,000 crore to enable activities of fish vendors, fishermen, and micro and small enterprises for improving value chain efficiencies and expanding the market. »ç Objectives of PMMSY 1. Harness the potential of the fisheries sector in a sustainable, responsible, inclusive, and equitable manner. 2. Enhance fish production and productivity through expansion, intensification, diversification, and productive utilization of land and water. 3. Modernize and strengthen the value chain including post-harvest management and quality improvement. 4. Double fishers and fish farmersâ€™ incomes and generate meaningful employment. 5. Enhance the contribution of the fisheries sector to Agricultural GVA and exports. 6. Ensure social, physical, and economic security for fishers and fish farmers. 7. Build a robust fisheries management and regulatory framework. »ç Targets of PMMSY »ç Fish Production and Productivity - 1. Increasing fish production to 22 million metric tons by 2024-25 from 13.75 million metric tons in 2018-19. 2. Enhancing aquaculture productivity to 5 tons per hectare from the current national average of 3 tons. 3. Augmenting domestic fish consumption from 5 kg to 12 kg per capita. »ç Economic Value Addition - 1. Increasing contribution of the fisheries sector to the Agriculture GVA to about 9% by 2024-25 from 7.28% in 2018-19. 2. Doubling export earnings to â,¹ 1,00,000 crores by 2024-25 from â,¹ 46,589 crores in 2018-19. 3. Facilitating private investment and growth of entrepreneurship in the fisheries sector. 4. Reduction of post-harvest losses from the reported 20-25% to about 10%. »ç Enhancing Income and Employment Generation - 1. Generating 55 lakh direct and indirect employment opportunities along the value chain. 2. Doubling the incomes of fishers and fish farmers. Benefits Financial assistance for fishing infrastructure: The scheme provides financial assistance to develop fishing infrastructure like fishing harbors, fish landing centers, fish markets, fish feed plants, fish seed farms, and fish processing units. Financial assistance for fish farmers: The scheme provides financial assistance to fish farmers for various activities like the construction of ponds, cages, hatcheries, and nurseries, and for the installation of aeration systems and other equipment. Assistance for fisheries management: The scheme provides financial assistance for the management of fishery resources through the adoption of scientific methods, setting up of fishery management plans, and developing fishery information systems. Credit-linked subsidy for fish farmers: The scheme provides a credit-linked subsidy for fish farmers to encourage them to take up fish farming as a business. Assistance for marketing and export of fish products: The scheme provides assistance for the development of cold chains, fish processing units, and packaging facilities to promote the export of fish products. Eligibility 1. Fishers. 2. Fish Farmers. 3. Fish Workers and Fish Vendors. 4. Fisheries Development Corporations. 5. Self Help Groups (SHGs)/Joint Liability Groups (JLGs) in the Fisheries Sector. 6. Fisheries Cooperatives. 7. Fisheries Federations. 8. Entrepreneurs and Private Firms. 9. Fish Farmers Producer Organizations/companies (FFPOs/Cs). 10. SCs/STs/Women/Differently Abled Persons. 11. State Governments/UTs and Their Entities. 12. State Fisheries Development Boards (SFDB). 13. Central Government and Its Entities. Application Process Offline For the Centrally Sponsored Scheme Component of PMMSY The Beneficiaries are required to submit their Self-Contained Proposal/Detailed Project Report (DPR) in accordance with the operational Guidelines of the PMMSY to the District Fisheries Officer, of their domicile district or the District of the respective States/Union Territories in which they intend to take up the fisheries development activities. »ç For the Central Sector Scheme Component of PMMSY The projects proposals in respect of the Central Sector Scheme Component of the PMMSY should be submitted to the Department of Fisheries, Government of India at the address mentioned below: »ç The Secretary Department of Fisheries Ministry of Fisheries, Animal Husbandry, and Dairying Government of India Room No-221, Krishi Bhawan New Delhi - 110 001 email: secy-fisheries@gov.in »ç NOTE: For the manner of submission of proposals, the stakeholders (intended beneficiaries) are required to consult the District Fisheries Officer of the District of the respective States/Union Territories in which they intend to take up the fisheries development activities. It is advisable to check with the concerned authorities or the official PMMSY website for the complete list of documents required for the specific type of project and application process. Frequently Asked Questions What Is PMMSY? The PMMSY is an umbrella scheme with two separate components namely (a) Central Sector Scheme (CS) and (b) Centrally Sponsored Scheme (CSS). The Centrally Sponsored Scheme (CSS) Component is further segregated into Non-beneficiary oriented and beneficiary orientated sub-components/activities under the following three broad heads: (i) Enhancement of Production and Productivity (ii) Infrastructure and Post-Harvest Management (iii) Fisheries Management and Regulatory Framework What Is The Duration Of PMMSY Scheme? PMMSY will be implemented in all the States and Union Territories for a period of 5 (five) years from FY 2020-21 to FY 2024-25. What Is The Funding Pattern For Central Sector Scheme? (a) The entire project/unit cost will be borne by the Central government (i.e. 100% central funding). (b) Wherever direct beneficiary oriented i.e. individual/group activities are undertaken by the entities of central government including the National Fisheries Development Board (NFDB), the central assistance will be up to 40% of the unit/project cost for the General category and 60% for SC/ST/Women category. What Is The Funding Pattern For Non-Beneficiary Orientated Centrally Sponsored Scheme? The Non-beneficiary orientated sub-components/activities under CSS component to be implemented by the States/UTs, the entire project/unit cost will be shared between Centre and State as detailed below: (a) North Eastern & Himalayan States: 90% Central share and 10% State share. (b) Other States: 60% Central share and 40% State share. (c) Union Territories (with the legislature and without legislature): 100% Central share. What Is The Funding Pattern For Beneficiary-Orientated Centrally Sponsored Scheme? For the Beneficiary orientated i.e. individual/group activities sub-components/activities under CSS component to be implemented by the States/UTs, the Government financial assistance of both Centre and State/UTs governments together will be limited to 40% of the project/unit cost for General category and 60% of the project/unit cost for SC/ST/Women. The Governmentâ€™s financial assistance will in turn be shared between Centre and State/UTs in the following ratio: (a) The North Eastern & the Himalayan States: 90% Central share and 10% State share. (b) Other States: 60% Central share and 40% State share. (c) Union Territories (with the legislature and without legislature): 100% Central share (No UT Share). Which Are The End Implementing Agencies (EIAs) In PMMSY? The PMMSY would be implemented through the following agencies: (i) Central Government and its entities including National Fisheries Development Board (ii) State/UT Governments and their entities (iii) State Fisheries Development Boards (iv) Any other End Implementing Agencies as decided by the Department of
