CancelApply NowCheck EligibilityRajasthanDrip SanyantrAgricultureDrip SanyantrFarmerFarmingDetailsThe Drip Sanyantr under the
Agriculture Department Rajasthan government gives subsidies to farmers. Proper utilization of every drop of water by drip plant, 75-80
percent saving of water and increase in quality production through efficient technology. For the successful operation of a drip irrigation
system, it is necessary to calculate the correct water requirement because through this system only water is given equal to the
requirement of the plants. The water requirement of plants varies seasonally and every month and the working hours of the system are
balanced accordingly.ï»¿Important pointsAfter issuing administrative approval from the irrigation department.The grant amount is
transferred to the account of the farmer or the supplier manufacturer/dealer with the consent of the farmer.Benefits70% subsidy is given
to general farmers and 75% subsidy is given to small, marginal Scheduled Caste, Scheduled Tribe, and women farmers.All categories of
farmers are given subsidies on drip plants up to a maximum area of 5 hectares.EligibilityThe applicant should be a farmer.The applicant
should be a native of Rajasthan.The farmer should have at least 0.2 hectares of irrigated cultivable land.Application
