The scholarships are awarded annually on the basis of merit-cum-means. Only those students, who satisfy the said 'Means Test' condition and who have secured not less than 60% marks or grade points equivalent thereof in the aggregate in the qualifying examination as defined below will be considered eligible for consideration. The value of the scholarships for undergraduate studies in Agriculture (including Agricultural Engineering & Home Science) and Animal Science subjects will be ₹ 1,000/- per month per student. The scholarship will be tenable for the full duration of the degree course in the concerned subject. Benefits The value of the scholarships for undergraduate studies in Agriculture (including Agricultural Engineering & Home Science) and Animal Science subjects will be ₹ 1,000/- per month per student. The scholarship will be tenable for the full duration of the degree course in the concerned subject. Eligibility Only those students, who satisfy the said 'Means Test' condition and who have secured not less than 60% marks or grade points equivalent thereof in the aggregate in the qualifying examination (as defined in the scheme guidelines) will be considered eligible for consideration. The inter-se merit of candidates having secured equal marks in the qualifying examination will be determined on the basis of marks obtained by such candidates in the science subjects in that examination. The Scholarship will ordinarily be admissible to the person of Indian Nationality as defined in the constitution of India or persons domiciled in India, irrespective of sex, race, or religion. MEANS TEST Only those whose parents have an income not exceeding ₹ 1,00,000 per annum shall be eligible for scholarships. There would be no system of half scholarship. A national prize of ₹ 500/- and a certificate of merit would be awarded in lieu of a scholarship, to eligible students whose parents' income exceeds ₹ 1,00,000 per annum. Exclusions N/A Application Process Online Step 01: After the start of the courses, ICAR will call for particulars of eligible students admitted to the first year class of the different degree courses and the number of actual admissions thereto. Step 02: The number of scholarships available in each course at each college and the name of the candidates to be selected for the award will be communicated by the Council to the colleges concerned. The payment of the scholarship will start from the month the admission is obtained. Step 03: Funds will normally be paid to the Head of the Institution concerned for each academic year in advance receipt of a progress report/certificate to the effect that the scholar had joined the course medicating the actual date of joining the Institution and a formal demand for funds. Step 04: The payment of scholarships to the scholars will, however, be made by the Head of the Institution in regular monthly installments after taking into consideration the conduct and regularity in attendance of the scholar concerned. Proforma For Submission Of Demand: <https://education.icar.gov.in/pdf/format-MCM-2017.pdf> Documents Required Proof of Identity. Marksheets of Previous Educational Qualification. Aadhar Number Income Certificate issued by the designated State/UT Authority. Details of the Bank Account in the name of the student or Joint Account with Mother/Father. Proof of admission into an ICAR recognized Agricultural University. Frequently Asked Questions What would happen in case the student is unable to Take Examination Due to Illness? If a scholar is unable to appear for the annual examination within a continuous course of study owing to illness or is not allowed to appear in the examination owing to prolonged illness extending over a long period which has resulted in a shortage in the required attendance as per University regulations the scholarship may be renewed for the next year on the recommendation of the Head of the Institution who while making the recommendations will take into consideration the medical certificate submitted by the scholar and the fact that the progress of his study during the year was such that had he not become unable to sit for the examination he would have qualified in the examination obtaining 50% of the aggregate marks. This concession can be availed of by the scholar not more than once during the whole length of the course. Is the Scholarship Admissible For Absence On Grounds Of Maternity? For married women, the scholarship will be admissible at the full rate for upto three months for absence on grounds of maternity. No scholarship will be paid for a period exceeding three months due to absence on grounds of maternity. How will the Payment of Scholarship be done in case of Leave? (1) The scholarship will be admissible as follows if the absence is due to illness supported by Medical Certificate from a Registered Medical Practitioner:- (i) Full scholarship, if the absence does not exceed two months. (ii) Half scholarship, if absence exceeds two months but not four months. For the first two months the scholarships will be paid at full rates and only for the period exceeding two months, the scholarship is to be paid at half the rates. (iii) No scholarship, if absence exceeds four months. For the first four months, however, the scholarship will be paid as per (i) and (ii). What will be the Value Of The Scholarships For Undergraduate Studies?
