The scheme is to provide maternity benefits to women belonging to socially and economically disadvantaged sections of society. The maternity benefit is to be provided to a woman for the first two living children provided the second child is a girl. For the first child the maternity benefit of â5,000/- is provided in two instalments under PMMVY and the beneficiary is also entitled to receive the cash incentive as per approved norms towards Maternity Benefit under Janani Suraksha Yojana (JSY) after institutional delivery so that on an average, a woman gets â6,000/-. For the second child, the benefit of â6,000/- is to be provided subject to second child is a girl child, in one installment after the birth. Cases of miscarriage/still births are to be treated as fresh cases for providing maternity benefit under the scheme. Further, as per the new guidelines for 'Mission Shaktiââ, applicable with effect from 01.04.2022, the scheme (PMMVY 2.0) seeks to promote positive behavioral change towards girl child by providing additional cash incentive for the second child, if that is a girl child. Thus, for the second child, the benefit of â6,000/- is to be provided in one instalment post birth. This would contribute towards improving Sex Ratio at Birth by discouraging female feticide. Also, in case of miscarriage/stillbirth, the beneficiary will be treated as a fresh beneficiary in the event of any future pregnancy.BenefitsThe cash incentives is provided in two instalments for the first child as per the schedule provided intable below:Scheme Condition for First ChildInstalment ConditionsAmount (in Rs.)First InstalmentOn registration of pregnancy and at least one Antenatal checkup within six months from last menstrual period date at the Anganwadi Centre or approved Health facilities may be identified by the respective administering State/UT. 3,000/-Second InstalmentChildbirth is registered.
