Under the scheme, a one-time subsidy will be provided on the purchase of battery-operated tricycle (e-rickshaw) vehicles to registered construction disabled workers.Objective:If a registered construction worker becomes disabled or incapacitated due to an accident while working at a construction site, the income of the construction worker ceases. So the construction worker is permanently financially unable to support the family. In such a situation, the use of three-wheelers is intended to help the construction workers as a source of income so that they can find other employment and support their families.BenefitsUnder this scheme, a one-time subsidy will be available to the extent of 50% of the Ex-Showroom Price or à¸,48,000/- whichever is less.The assistance will also be available for the amount of Registration Fee and Road Tax paid for the first time of the new Three-Wheeler. (RTO Tax and Road Tax would be reimbursed as well.)Note 01: The cost of the motor vehicle tax amount of the new three-wheeler, fixed by the State Government and at the prevailing rate applicable to persons with disabilities, will be borne by the registered disabled construction worker here.Note 02: This additional subsidy will be provided in addition to the subsidy available under the electric vehicle-related schemes of Government.EligibilityThe construction workers should be registered with the Gujarat Building and Other Construction Workerà¸à¸à¸à¸ Welfare Board.The registered construction workers who become disabled or incapacitated due to an accident while working at a construction site will be eligible to get the benefit of this scheme.The registered construction disabled worker (Shramyogi) should have purchased a lithium-ion battery-operated vehicle in his own name.The registered construction disabled worker (Shramyogi) should hold a tri-cycle license to operate a tri-cycle.The benefit of this scheme will be available once per registered construction disabled worker.Application ProcessOfflineApplication Process:Step 01: To avail of the benefits under the scheme, the applicants need to visit the nearest district office of the Gujarat Building and Other Construction Workerà¸à¸à¸à¸ Welfare Board.Step 02: Collect the application form and fill in all the details as required.Step 03: Attach all the required documents and submit the application form to the concerned official at the district office.Post-Application Process:Step 01: The application form will be approved by District Nirikshak.Step 02: Then it will be submitted to the State Project Manager of the Head office.Step 03: It will then be approved by the Head Office Govt. Labour officer and then Member Secretary subsequently.Step 04: After checking the online application made by the dealer approval of the Accounts Officer and Honà¸à¸à¸à¸à¸à¸ Member Secretary, reimbursed amount.Documents RequiredAadhaar card-Nirman CardRTO of the registered construction workerCopy of valid three-wheeler licenseCertificate of incapacity from the Certifying Civil SurgeonAny other documents as requiredFrequently Asked QuestionsWhat is the objective of the scheme?The primary objective of the scheme is to provide financial support to registered construction workers who become disabled or incapacitated due to accidents at construction sites. By offering subsidies for e-rickshaw purchases, the scheme intends to help these workers sustain their livelihoods and support their families.Who is eligible to benefit from this scheme?Eligibility criteria include registration with the Gujarat Building and Other Construction Workerà¸à¸à¸à¸ Welfare Board, being a registered construction worker who became disabled due to a construction site accident, owning a lithium-ion battery-operated vehicle, holding a tri-cycle license, and availing the scheme once per registered construction disabled worker.What are the benefits offered under the scheme?Under the scheme, eligible individuals can receive a one-time subsidy of 50% of the ex-showroom price or up to à¸,48,000, whichever is less, for purchasing an e-rickshaw. Additionally, assistance is available for the payment of Registration Fee and Road Tax for the first time of the new three-wheeler.How can one apply for the scheme?Applicants must visit the nearest district office of Gujarat Building and Other Construction Workerà¸à¸à¸à¸ Welfare Board, collect the application form, fill in all required details, attach necessary documents, and submit them to the concerned official at the district office.Can the subsidy be availed multiple times?No, the benefit of this scheme is available only once per registered construction disabled worker.What type of vehicles are covered under the scheme?The scheme covers battery-operated tricycle (e-rickshaw) vehicles powered by lithium-ion batteries.Sources And ReferencesOfficial WebsiteGuidelinesScheme Details (Page No. 375)OkWas this helpful?News and UpdatesNo new news and updates availableShareSomething went wrong.
