"In-Plant Training" Component of the "Development of Industries" SchemeSkillStipendTrainingUnemployedYouthDetailsThe "In-Plant Training" component of the "Development of Industries" scheme by the District Industries Centre, Department of Industries and Commerce, UT of Puducherry was introduced to create employment opportunities and motivate entrepreneurship among the educated unemployed youth. Through this scheme, training is imparted to the educated unemployed youth at various industrial establishments in a real-time environment. The trainees acquire the skill by observing, assisting and learning the job on their own in the plant itself. The training makes them acquire better skills in the trade to start either their self-ventures or to get employment in established industries. The training is imparted for one year with a monthly stipend at rates based on educational qualification.

BenefitsStipendHigher Secondary / ITI and below: â¹ 1,500/-Any Graduate or 3 years Diploma in Engg.
