Frequently Asked Questions What is the main objective of the "Training in Coir" component of the "Development of Coir" Scheme? The scheme aims to promote and develop Coir and Coir-based industries in the Union Territory of Puducherry through a 6-month training for rural poor. What financial support does a trainee receive during the 6-month training period? Trainees are entitled to a stipend of â,1,500 per month, providing support during the training. How does the scheme address the issue of wastage of raw materials during training? Compensation for wastage of raw materials is provided at â,1200 per month per trainee, with a maximum of â,2,000 per month. What is the honorarium for trainers under this scheme? Trainers receive an honorarium of â,1300 per month per trainee, capped at a maximum of â,13,000 per month. What age group is eligible to apply for the "Training in Coir" component? Applicants aged between 18 to 35 years are eligible to participate in the training. What is the primary focus of the 6-month training provided by the scheme? The training aims to equip the rural poor with the skills to produce coir products, ultimately fostering employment opportunities. Where can individuals access the application forms for the "Training in Coir" scheme? Application forms can be downloaded from the official website at <https://dic.py.gov.in/application-forms-download-area>. What eligibility criteria must an applicant meet to be considered for the scheme? Applicants should be natives of Puducherry or continuous residents for the past three years, aged 18 to 35, literate, and not have undergone previous training through the scheme. How does the scheme contribute to the development of Coir and Coir-based industries? The scheme aims to promote and develop Coir and Coir-based industries in the Union Territory of Puducherry by providing targeted training. What documents are required for the application process? Residential Certificate, Age Proof, Educational Certificates (if applicable), and a declaration of not having attended the training before are necessary documents. What measures does the scheme take to ensure that applicants have not been previously trained? The declaration of not already attending this training serves as a measure to verify that applicants have not undergone previous training through the scheme. Where can individuals address their grievances related to the "Training in Coir" scheme? Grievances can be addressed through the Grievance Redressal Mechanism at <https://industry.py.gov.in/grievance-redressal-mechanism>. What role does the Department of Industries and Commerce, Union Territory of Puducherry, play in the scheme? The department oversees the implementation of the scheme, promoting and developing Coir and Coir-based industries. How does the scheme contribute to the employment generation objective? By providing training in coir production to the rural poor, the scheme aims to create employment opportunities within the sector. What steps can applicants take to get in touch with the relevant authorities for additional information? For further information or inquiries, applicants can refer to the "Contact Us" section on the official website at <https://dic.py.gov.in/contact-us>.
