Frequently Asked Questions

How quickly can a registered worker expect financial assistance after an accident? Financial assistance is credited within 15 days through Direct Benefit Transfer (DBT) after the claim is supported by medical certificates and verified by the Board. What is the role of inspectors in the registration process?Inspectors verify the authenticity of the registration, and upon approval by the Secretary (Board), the worker is enrolled as a beneficiary. A registration fee of â‚¹25 is applicable, along with an annual subscription of â‚¹100.How much financial assistance does the scheme provide, and for how long?The scheme provides â‚¹1,500 per month through Direct Benefit Transfer (DBT) until the injured worker becomes physically fit to resume normal work.Is citizenship a mandatory requirement for eligibility under the scheme?Yes, the applicant should be a citizen of India to be eligible for the "Accident Medical Assistance" scheme. How is the age of the construction worker determined during eligibility assessment?The age is determined based on completion of the 18th and 60th years during the preceding 12 months in the construction work. Is there a specific time limit for contributing to the Board for eligibility?Yes, to meet the eligibility criteria, the applicant should not have defaulted in payment of contributions to the Board for a continuous period of more than one year. Is there any specific requirement regarding the physical condition of the worker for eligibility?Yes, to be eligible, the worker should have met with an accident, sustained a fracture, and must not be physically fit to resume normal work. Can a construction worker apply for the scheme if they have defaulted in contribution payments to the Board?No, to be eligible, the applicant should not have defaulted in payment of contributions to the Board for a continuous period of more than one year. Can the financial assistance be used for any purpose, or are there restrictions?The financial assistance of â‚¹1,500 per month is meant to support the injured construction worker during their recovery period. While there are no specific restrictions on usage, it is intended to cover living expenses during the period of incapacity. Is the financial assistance taxable, and does it affect other government benefits?The financial assistance provided by the scheme is generally not considered taxable income. However, workers are advised to consult with a tax professional for personalized advice. The scheme's assistance is specific to its purpose and does not affect other government benefits. How are disputes or grievances related to the scheme's benefits addressed?Grievances and disputes can be addressed through the Grievance Redressal mechanism outlined in the scheme's guidelines (Page No. 131). Beneficiaries can follow the process outlined in the Citizen's Charter to resolve any issues or concerns regarding the scheme's benefits. Are there any specific declarations to be made in the application form?The worker must declare their status as a construction worker and mention their worksite.
