Frequently Asked QuestionsIs there a provision for district officials to enhance the allocated target, and what flexibility do they have?District officials can enhance their target by up to 25% and reallocate block targets based on demand, as per the guidelines issued on January 21, 2023. How is the progress of the scheme monitored, and who reviews the monthly progress?The Director of Fisheries reviews the monthly progress, collecting Monthly Progress Reports from district officials, using a proper proforma developed at the Directorate level. What is the timeline for WSHGs to submit detailed documents, get verification, and receive the one-time assistance?WSHGs submit documents within 15 days of identification, verification is done within 15 days, and assistance is disbursed within 15 days of receiving documents. How is the revolving fund released to eligible WSHGs, and what is the disbursement timeline? After verification, the District Fisheries Officer releases â‚¹10,000 to the WSHGs through DBT/NEFT/RTGS within 15 days of receiving the necessary documents. Can WSHGs previously benefiting from "Input Assistance for Pisciculture in GP tanks" apply for the revolving fund?WSHGs benefiting from the mentioned input assistance scheme for fisheries activities are not eligible for the revolving fund. How is the application process structured, and who verifies the applications?WSHGs submit applications to District Fisheries Officers through AFOs/Field functionaries. Verification is done by AFOs, with assistance from BPC, Mission Shakti, and CDPOs. Who implements the scheme at the district level, and how are annual targets determined?The District Fisheries Officer implements the scheme, and the annual targets are communicated by the Director of Fisheries, with flexibility based on district-level progress. What challenges do Fisher women SHGs typically face that necessitate the provision of a Revolving Fund?Procurement difficulties for raw materials due to fund scarcity, leading them to rely on private sources, highlight the need for financial support. What is the pattern of assistance provided to eligible WSHGs?Each eligible WSHG receives a one-time Revolving Fund of â‚¹10,000. How is the authenticity of WSHGs and their fisheries activities ensured during the application process?AFOs take geo-tagged photographs of the fishery unit, verify resolutions, and ensure that WSHGs have not availed similar assistance previously. What role do BPC, Mission Shakti & CDPOs play in the application process, and how do they contribute to the finalization of applications?BPC, Mission Shakti & CDPOs collaborate with AFOs and field functionaries to assist in the verification and finalization of applications, ensuring a comprehensive approach. Can WSHGs involved in ornamental fish farming apply for the Revolving Fund, and how is their eligibility determined?Yes, WSHGs engaged in ornamental fish farming are eligible. Eligibility is based on criteria like having a bank account in the State of Odisha.
