It is not only a method of recreational growth and development but also helps in the integration of youth with the country's social order. To bring laurels to the country and for personal and professional development in sports, the youth have to not only spend their time but also their limited resources to excel. It would be imperative that the country as a whole supports its efforts financially so that resources are not a constraint to their education and sports development.

AIMS AND OBJECTIVES

1. The objective of the scheme is to provide financial assistance to the medal winners' elite sports persons who are studying in Universities/Colleges leading to all the full-time regular courses including PG Diploma and other professional courses.
2. To motivate the sports persons to achieve higher levels of performance by assisting them financially in relation to education and sports development. The scheme would be applicable to sports persons who are medal winners in national games or participants in recognized international sporting events.
