Sour Badhbandi (Solar Fencing): Monkey and wildlife menace causes huge losses to crops annually in the State. The present practice of crop protection by manual guarding did not ensure 100 percent crop protection. Now the scheme has been merged under the Scheme â€œMukhyamantri Krishi Utpadan Sanrakshan Yojanaâ€ in the name of Solar Fencing. Under this scheme, a subsidy of 85% is being provided if three or more farmers opt to install solar fencing, and if farmers opt to install solar fencing on individual land then an 80% subsidy is being provided. The fence is energized with the help of solar power. Current fences around the farms will be sufficient to keep away stray animals, wild animals, and monkeys from the farms.2. Anti-Hail Net Structure: Hailstorms in Himachal Pradesh are one of the major natural calamities resulting in substantial economic loss to the farmers by damaging standing vegetable crops both quantitatively as well as qualitatively. In order to mitigate the losses caused by hail storms the new scheme â€œKrishi Utpadan Sanrakshan Yojana (Anti-Hail Net Structure)â€ was started by the State Government in 2020-21 and implemented through the Department of Agriculture. Now the scheme has been merged under the Scheme â€œMukhyamantri Krishi Utpadan Sanrakshan Yojnaâ€ in the name of Anti Hail Nets. The schemes will primarily benefit farmers helping them to substantially, reduce the quantitative and qualitative losses to their vegetable produce. Financial assistance maximum of up to 80% is being provided to the eligible farmer for an area coverage maximum of up to 5000 sqm. The monetary gains are expected to be approximately 15-20 crores annually with significant contributions to the state GDP.3. Green House Renovation Scheme: Farmers of the state have demanded that there should be a scheme to replace the Poly sheets. Therefore, the Government of Himachal Pradesh introduced a scheme â€œMukhya Mantri Green House Renovation Schemeâ€ in the year 2017-18. Now the scheme has been merged under the Scheme â€œMukhyamantri Krishi Utpadan Sanrakshan Yojanaâ€ as a component namely Green House Renovation. Under this scheme, 70% assistance is being provided to the farmers for the replacement of poly sheets after 5 years of setting up of polyhouse or damage due to natural calamities.Benefits1. Sour Badhbandi (Solar Fencing): Under this scheme, a subsidy of 85% is being provided if three or more farmers opt to install solar fencing, and if farmers opt to install solar fencing on individual land then an 80% subsidy is being provided.2. Anti-Hail Net Structure: Financial assistance maximum of up to 80% is being provided to the eligible farmer for an area coverage maximum of up to 5000 Square Meters.3. Green House Renovation Scheme: Under this scheme, 70% assistance is being provided to the farmers for the replacement of poly sheets after 5 years of setting up of polyhouse or damage due to natural calamities.EligibilityThe beneficiary should be a permanent resident of Himachal Pradesh.All the farmers of the state of Himachal Pradesh.Priority will be given to small and marginal farmers for giving benefits of the scheme.Application ProcessOnlineRegistration Process:Step 01: Visit the official website: <https://agridbt.hp.gov.in/agri/#/Login>»¿Step 02: Click on â€œSign Upâ€ and then click on â€œRegister Nowâ€.Step 03: On the registration page, fill in the mandatory details (Name, Aadhaar, Email, Mobile Number) and click on "Register". The login credentials will be sent to your registered Email ID / Mobile Number.Application Process:Step 01: Visit the official website: <https://agridbt.hp.gov.in/agri/#/Login>»¿Step 02: Click on â€œLoginâ€ and then select the scheme.Step 03: On the application page, fill in all the mandatory fields and upload the required documents in the appropriate file size and file type. Then, click on "Submit" for the final submission.Process after submitting the application:Step 01: Once the application is submitted you will receive a confirmation on your registered mobile number and email ID with the details of your application IDStep 02: For any update about your application, you will be notified through SMS and email. For every update, details will be available under the "Notification" option on the left menuStep 03: You can also check the current status of your application using the "Status" option on the left menu.¿¿¿¿Documents RequiredCopy of Aadhaar cardAddress proofBank passbookIdentity cardMobile numberPassport-size photoLand Details Document (Jamabandi/Khata/Khatauni Number)Caste Certificate (If applicable)Polyhouse training certificateFrequently Asked QuestionsWhat are the three component of the scheme?The three components of the scheme are Sour Badhbandi (Solar Fencing), Anti-Hail Net Structure & Green House Renovation Scheme.By which department was this scheme launched?Department of Agriculture, Government of Himachal PradeshWho is eligible under this scheme?All the farmers who are permanent residents of Himachal Pradesh are eligible to apply under the scheme.What is the benefit of the scheme "Sour Badhbandi (Solar Fencing)"?Under this scheme, a subsidy of 85% is being provided if three or more farmers opt to install solar fencing, and if farmers opt to install solar fencing on individual land then an 80% subsidy is being provided.What is the benefit of the scheme "Anti-Hail Net Structure"?Under the scheme, a financial assistance maximum of up to 80% is being provided to the eligible farmer for an area coverage maximum of up to 5000 Square Meters.What is the benefit of the scheme "Green House Renovation Scheme"?Under this scheme, 70% assistance is being provided to the farmers for the replacement of poly sheets after 5 years of setting up of polyhouse or damage due to natural calamities.What Was The Earlier Name Of the Scheme â€œSour Badhbandi (Solar Fencing)â€?Mukhya Mantri Khet Sanrakshshan YojanaHow will the fence energize?The fence is energized with the help of solar power.
