Agriculture Irrigation Scheme - Magel Tyala Shettale (Individual Farm Pond) Chatrapati Shivaji Maharaj Krishi YojanaIndividual Farm
PondMagel Tyala ShettaleMahaDBTDetailsChief Minister Sustainable Agriculture Irrigation Scheme-Magel Tyala Shettale (Individual
Farm Pond) has been launched by Ministry of Agriculture, Animal Husbandry, Dairy Development & Fishries Department, Maharashtra
State in the year 2022-23 (vide G.R.Dated 29 th June, 2022) Under this scheme subsidy payable to individual farmer is minimum
Rs.14433/- and maximum Rs.75000/- depending on the size of the farm pond. Out of total area, 82 percent area of agriculture land
in the state is rainfed and is dependent on rainfall. Water stress due to uneven distribution of rains and periodic interruptions in rains
leads to large reduction in crop production. Sometimes crops are also destroyed. Farm ponds, in such situation plays an important role in
providing protective irrigation and reduces crop losses substantially. Considering this matter, Chief Minister Sustainable Agriculture
Irrigation Scheme-Individual Farm Pond has been sanctioned by the Maharashtra State Govt. vide G.R. Dated 29th June, 2022. The
scheme is implemented in all districts of the state. Under this scheme the subsidy payable to individual farmer is minimum Rs 14433/-
and maximum Rs 75000/- depending on the size of the farm pond. Farmers should hold at least 0.20 ha land in Kokan region, while it is
0.40 ha limit for rest of the Maharashtra. Online applications are invited from farmers under Maha-DBT portal. The scheme is
implemented by selecting the beneficiaries online through Maha-DBT portal. After completion of the farm pond, the subsidy payable
under the scheme is credited through the PFMS system to the Aadhaar number linked bank account of the farmer. The farm ponds are of
two types one being with inlet outlet and the other without inlet and outlet type. The implementation of the component "Magel
TyalaShettale" under Chief Minister Sustainable Agriculture Irrigation Scheme was approved videGovernment Circular dated April
25,2023. The name "Chhatrapati Shivaji Maharaj Krishi Yojana" was given vide GR. dated 18th October 2023.ï»; Benefits1)
Financial Assistance is given to farmers."»;2)The subsidy payable to an individual farmer minimum Rs.14433/- and maximum
Rs.75000/- depending on the size of the farmpond."»¿Eligibility1) Farmer should hold at least (Minimum) 0.20 ha. land and Kokan
region, while it is 0.40 ha. limit for rest of Maharashtra.2) The applicant farmers land will have to be technically suitable for digging
farm pond. So that the runoff rainwater can be stored in the farm pond through natural flow and recharge will be possible. In case of farm
ponds without inlet and outlet there should be a natural source from where extra runoff during rainy season can be lifted and stored in
farm pond.3) Before applying for farm pond, the applicant farmers should not have availed the subsidy for farm pond, community tank
or bodi in paddy bunding or any Government Scheme.ï», Exclusions Farmers who have availed the subsidy for farm pond, community
tank or bodi in paddy bunding under any Government Scheme previously is not eligible for subsidy again. Application ProcessOnlineStep
