Pre-approval decisions are usually issued within 30 working days. Could you elaborate on the necessity of obtaining pre-approval from the Committee before participating in an exhibition, especially concerning the reimbursement process?Pre-approval from the Committee is mandatory to claim reimbursement for attending an exhibition. It ensures that the participation aligns with the guidelines set forth by the Government. Regarding the reimbursement for exhibition rental costs, could you provide more details on the criteria for eligibility, such as the percentage reimbursed, the exhibition space limit, and the approval process?Reimbursement covers 50% of the exhibition rental cost for participation in national/international exhibitions, limited to 9 square meters of space. Approval from the Government is required for eligibility. What specific documents are required to accompany an application for approval, and how should they demonstrate the rental charges associated with the exhibition?The required documents include brochures and information material displaying rental charges for the exhibition, a certificate of participation, and proof of payment of rental charges. In the context of seeking reimbursement, is there any flexibility in the documentation process, or are the listed documents (brochures, certificate of participation, proof of payment) mandatory for all cases?The listed documents (brochures, certificate of participation, proof of payment) are mandatory for seeking reimbursement. They provide a comprehensive overview of the exhibition and validate the associated costs.
